

Horse markers for the Grand Final

- 1. Print**
On card if you can, at 100% (no "fit to page").
- 2. Laminate**
Laminate the whole sheet so they last.
- 3. Cut**
Cut around each marker on the dashed outline.
- 4. Fold**
Fold in half on the middle line so it stands as a tent.

Two sets of 4: one to use, one spare. Each marker fits one square and matches its lane colour.
